## **REVELATION 9:1-11 *FULFILLED*; The 5-Month Torment of Syrian Muslim Men**

By George Lujack

Western political leaders agreed, by general consensus, that global warming (climate change) was settled science while they simultaneously coddled, fostered, imported, monitored, and policed radical Islamic terrorist entities at home and abroad, and did everything they could to avoid killing them through war.

In Rome, Catholic Pope Francis issued an encyclical on global warming entitled, “ON CARE FOR OUR COMMON HOME” on May 24, 2015. The chapter on “POLLUTION AND CLIMATE CHANGE” proclaims the opinion that global warming is a settled scientific fact.<sup>1</sup>

*“A very solid scientific consensus indicates that we are presently witnessing a disturbing warming of the climatic system. In recent decades this warming has been accompanied by a constant rise in the sea level and, it would appear, by an increase of extreme weather events, even if a scientifically determinable cause cannot be assigned to each particular phenomenon. Humanity is called to recognize the need for changes of lifestyle, production and consumption, in order to combat this warming or at least the human causes which produce or aggravate it.”*

The Catholic Church’s embrace of global warming has a pagan religious component to it known as Gaia worship: the worship of the creation (mother earth) over the Creator and the priority of caring for the Earth over the concern and welfare of human beings.<sup>2</sup>

In America, U.S. President Barack Obama was widely believed to be a Muslim himself, and if not, certainly a Muslim sympathizer. Obama has stated, “No challenge poses a greater threat to future generations than climate change.”<sup>3</sup> Meanwhile, as commander-in-chief of America’s armed forces, Obama did not actively wage an effective war for America to defeat its Muslim terrorist enemies abroad, but instead was concerned with containing, protecting, and even importing them through immigration.<sup>4 5</sup>

During the preceding years, under the spiritual approval of Catholic Pope Francis, the military direction of U.S. President Barack Obama, and many others in the socio-political and scientific community, the acceptance of global warming (climate change), as scientific fact, and the proliferation of Muslim-based terrorism have gone hand-in-hand.

The Scripture prophecy of Revelation 9:1-11 was fulfilled through the global warming, environmentally-minded containment war America waged on Islamic terrorists.

#### SCRIPTURE PROPHECY ANALYSIS AND INTERPRETATION

##### **REVELATION 9:1-2 (NKJV):**

**Then the fifth angel sounded: And I saw a star [DEMON] fallen from heaven to the earth. To him [Abaddon (Apollyon)] was given the key to the bottomless pit [CORE OF THE EARTH]. And he [Abaddon (Apollyon)] opened [THROUGH MILITARY BOMBING] the bottomless pit [CORE OF THE EARTH], and smoke arose out of the pit [EARTH] like the smoke of a great furnace. So the sun and the air were darkened because of the smoke of the pit [EARTH].**

**REVELATION 9:3-4 (NKJV):**

Then out of the smoke locusts [ARMORED HELICOPTERS] came upon the earth. And to them was given power, as the scorpions of the earth have power. They [COALITION FORCES] were commanded not to harm the grass of the earth, or any green thing, or any tree, ...”

They (American-led coalition armed forces) were commanded, with global warming (climate change) concerns in mind, not to harm the grass, green things, or any trees. Obama, in his environmentally-minded containment ‘war’ on ISIS, did not order the bombing of ISIS oil infrastructure, because of environmental impact concerns.<sup>6</sup>

**REVELATION 9:4 (NKJV):**

“... but only those [ISLAMIC COMBATANT] men who do not have the seal of God on their foreheads.

Muslim men do not have the seal of God, figuratively speaking, on their foreheads (minds). They reject the God of the Holy Scriptures and worship their god Allah through the writings of the Quran. They reject Yeshua (Jesus) as being the Son of God, as they believe in their false prophet Muhammad as the messenger of their god Allah.

**REVELATION 9:5 (NKJV):**

And they [COALITION FORCES] were not given authority to kill them, but to torment them [WITH MILITARY STRIKES] for five months.

They (American-led coalition forces) did not have the authority to kill Islamic terrorist men. When American commanders authorized the precision bombing of ISIS military buildings, vehicles, oil trucks, they first ordered their pilots to drop leaflets giving Islamic terrorist combatants at least 45-minutes of advance warning notice to flee for their lives. Muslim men knew that their buildings or oil trucks were about to be destroyed, which gave them ample time to escape before the bombs were dropped.

American-led coalition forces, while protecting the lives of Islamic militants, *tormented* them. ISIS militants, who did not have the seal of God on their foreheads, were not grateful for the leaflets that American-led coalition forces dropped on them to spare them their lives, but were enraged and tormented as their military buildings, vehicles, and supplies were destroyed.

**REVELATION 9:5-6 (NKJV):**

**Their [COALITION FORCES'] torment [MILITARY STRIKES] was like the torment of a scorpion when it strikes a man. In those days [ISLAMIC MILITANT] men will seek death and will not find it; they will desire to die, and death will flee from them.**

America's policy of containing ISIS Muslim enemy combatants, and not destroying them, while putting on a show-war was torment to Muslim men. The 'locusts' of Revelation 9 represent armored helicopters, jet fighter planes, and drones, which were the instruments of the torment to those Muslim men.

**REVELATION 9:7-9 (NKJV):**

**The shape of the locusts [MILITARY HELICOPTERS] was like horses prepared [IN FORMATION] for battle. On their heads were crowns [ROTOR MASTS] of something like gold, and their faces [COCKPIT PILOTS' FACES] were like the faces of men. They had hair [HELICOPTER ROTOR BLADES] like [STRANDS OF] women's hair, and their teeth [IMAGES PAINTED ON HELICOPTERS] were like lions' teeth. And they had breastplates [LANDING SKIDS] like breastplates of iron, and the sound of their wings [ROTATING HELICOPTER BLADES] was like the sound of chariots with many horses running into battle.**

**REVELATION 9:10 (NKJV):**

**They [FIGHTER JETS, ARMORED HELICOPTERS, AND DRONES] had tails like scorpions, and there were stings [MISSILES] in their tails. Their power was to hurt men five months.**

**REVELATION 9:11 (NKJV):**

**And they [COALITION FORCES] had as king [COMMANDER IN CHIEF] over them [U.S. PRESIDENT BARACK OBAMA, WHO WAS UNDER THE DEMONIC INFLUENCE OF] the angel of the bottomless pit [CORE OF THE EARTH], whose name in Hebrew is Abaddon, but in Greek he has the name Apollyon.**

U.S. President Barack Obama was the commander in chief of the American-led coalition forces, which intervened in Syria to combat ISIS militants, playing his part in fulfilling Scripture prophecy Revelation 9:1-11. U.S. President Obama was not actually the angel of the bottomless pit, so he therefore was possessed by or was under the demonic influence of Abaddon (Apollyon), a fallen angel – a demon of the bottomless pit. Obama, under the demonic influence of Abaddon (Apollyon), carried out this demon's directives.

An interesting side note is that the torment of Islamic men by American-led coalition forces was fulfillment of Scripture prophecy Revelation chapter 9 through verse 11, reflecting the date of the 9-11 Islamic terrorist attacks against America that occurred on 9-11-2001.

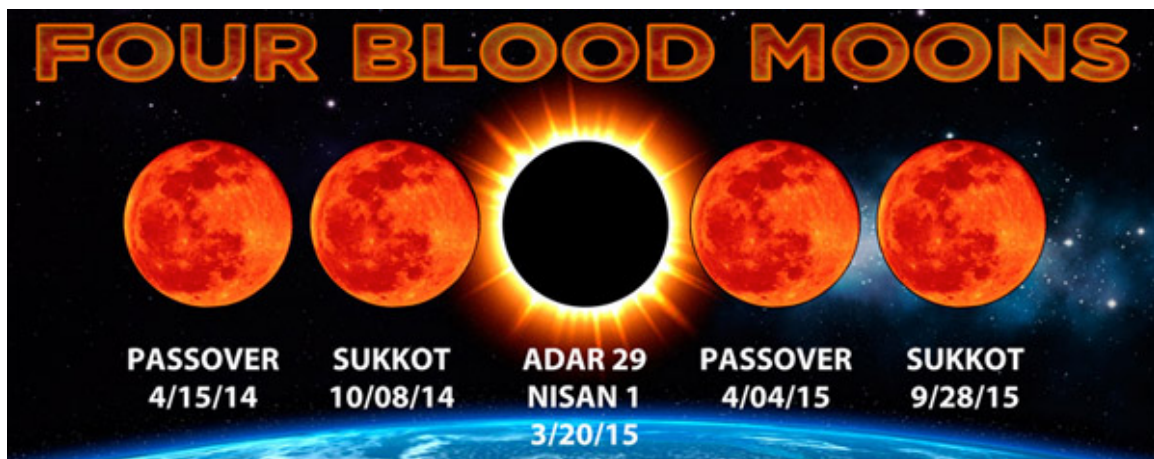

The American-led coalition intervention in Syria began on September 22, 2014. During the first month of intervention, ISIS resistance fighters were killed. On October 15, 2014, the United States named the campaign “Operation Inherent Resolve,” announcing a containment strategy against Islamic militants. In the ensuing five months, ISIS militant men were tormented, as their military equipment, supplies, and buildings were destroyed, but they were not targeted to be killed by U.S.-led coalition forces.<sup>7</sup>

The Scripture prophecy of Revelation 9:1-11, including the 5-month torment of men who do not have the seal of God on their foreheads (Muslim men), was fulfilled between October 01, 2014 and March 01, 2015. During this time, every effort was made to spare Islamic lives, in a containment war that targeted military buildings, equipment, and supplies, and on occasion Islamic militant leaders’ lives, but spared Islamic militant lives.

Many prophecy watchers were looking at Israel during the tetrad (set of 4) blood moons that occurred on God’s feast days between April 15, 2014 and September 28, 2015, anticipating a major prophetic event to be fulfilled. Many prophecy scholars noted that these events landed on ‘Jewish’ feast days and thus they were expecting something monumental to occur in Israel.

During previous tetrad blood moon cycles that fell on God’s feast days in 1493-1494, 1949-1950, and 1967-1968, significant events surrounding the Jewish people did take place. In 1492, during the Spanish Inquisition, the Jews in Spain were issued the Alhambra Decree, also known as the Edict of Expulsion, by the joint Catholic Monarchs of Spain, ordering practicing Jews of Spain to leave Spain within four months. In 1948, the State of Israel was born and Jews around the world once again had a homeland. In 1967, Israel expanded its territory and secured its country winning the Six-Day War.

Many prophecy watchers expected that the tetrad blood moons of 2014-2015, which also fell on ‘Jewish’ feast days, would once again bring about a major prophetic event in Israel. That didn’t happen. Many Scripture scoffers have since mocked the tetrad blood moons of 2014-2015 as inconsequential.

**LEVITICUS 23:2 (NKJV):**

**The feasts of YHWH (the Lord), which you shall proclaim to be holy convocations, these are My feasts.**

The feast days, which are rightly observed by the Jews, are actually God’s feast days, not Jewish feast days. Therefore, blood moons that fall on God’s feast days could signal a prophetic event to occur anywhere on God’s Earth.

Historic events of Scripture prophecy occurred during the 2014-2015 tetrad blood moons. Revelation 9:1-11 was fulfilled. The American-led coalition intervention in Syria began on September 22, 2014. Between October 01, 2014 and March 01, 2015, dates that fell within the 2014-2015 tetrad blood moon cycle, every effort was made to spare Islamic militant men’s lives, and in doing so, they were tormented when they witnessed their military buildings, equipment, supplies, and vehicles destroyed. During the blood moons of 2014-2015, Muslim men - those without the seal of the true God on their forehead, were tormented for 5-months.
