

THE APRIL 8, 2024 SOLAR ECLIPSE ACROSS AMERICA

By George Lujack

On April 8th, 2024, a total solar eclipse will pass across the United States. This, in conjunction with a 2017 solar eclipse that passed across the United States, and a 2023 solar eclipse that passed the southern part of the United States, are surely final warning signs from God that America will soon fall and cease from being a nation. The question is, how soon?

The August 21, 2017 solar eclipse passed through 7 cities called Salem: Salem Oregon, Salem North Dakota, Salem Wyoming, Salem Nebraska, Salem Missouri, Salem Kentucky, and Salem South Carolina. Salem is short for Jerusalem. The United States of America, abbreviated USA, are the central letters of JER-USA-LEM.

The 2023 solar eclipse passed through Jonah, Texas, which is a spiritual sign that these eclipses of 2017, 2023, and 2024 are a warning to America from Almighty God, likened to the prophet Jonah.

MATTHEW 12:39, 16:4; LUKE 11:30 (NKJV):

“An evil and adulterous generation seeks after a sign, and no sign will be given to it except the sign of the prophet Jonah.”

America is certainly an evil and adulterous generation in 2024.

JEREMIAH 51:7 (NKJV) [WITH INTERPRETATION]:

Babylon [AMERICA] was a golden cup [MOST BLESSED NATION] in YHWH's (the Lord's) hand, that made all the earth drunk [WITH HER WEALTH]. The nations drank her wine [DEVIANT CULTURE, PORNOGRAPHY, SEXUAL IMMORALITY]; therefore the nations are deranged.

The April 8, 2024 solar eclipse will first go through Eagle Pass, Texas, which is a symbolic message that the eagle, which represents America, is soon going to pass away. Again, the question is how soon? The 2024 solar eclipse will then pass through Jonah, Texas. The 2024 solar eclipse will go through 7 cities named Salem: Salem Texas, Salem Arkansas, Salem Illinois, Salem Indiana, Salem, Ohio, Salem, Massachusetts, and Salem Hill Vermont. The 2024 solar eclipse will also travel through 7 cities in the United States and one in Canada called Nineveh: Nineveh, Texas, Nineveh, Missouri, Nineveh, Indiana, Nineveh, Ohio, Nineveh, Pennsylvania, Nineveh Virginia, Nineveh, New York, and lastly Nineveh, Nova Scotia.

The 2024 solar eclipse is also passing through Rapture, Indiana, which is close to the Ark Encounter, a life-sized Noah's Ark theme park located in Williamstown, Kentucky. As America's destruction comes, God will not forget His American saints. There will be an exclusive American rapture, which is one of three major end-times raptures. The American rapture is America's ark for the American saints, which will spare the American saints from the death and the plagues that are coming to America.

The pattern of the 2017 and 2024 solar eclipses across the United States form a Tav, which is the last letter of the Hebrew alphabet, which is also a mark, omen, seal, or sign that signals the end. When the end of the United States comes, the beginning of the great tribulation commences and nation will rise against nation and kingdom against kingdom in the great tribulation wars (Matthew 24:7; Mark 13:8; Luke 21:10).

Some prophecy watchers are predicting that America's end will come 40 days after the April 8, 2024 solar eclipse, on or about April 8 or May 18, 2024, based on passages in the book of Jonah.

JONAH 3:1-4 (NKJV):

Now the word of YHWH (the Lord) came to Jonah the second time, saying, "Arise, go to Nineveh, that great city, and preach to it the message that I tell you." So Jonah arose and went to Nineveh, according to the word of YHWH (the Lord). Now Nineveh was an exceedingly great city, a three-day journey in extent. And Jonah began to enter the city on the first day's walk. Then he cried out and said, "Yet forty days, and Nineveh shall be overthrown!"

Will America's prophesied destruction, based on Revelation 18 and other prophetic passages, come on or about May 18, 2024? No.

Prophecy watchers who are looking to the heavens for signs are right to do so (Genesis 1:14), but these signs cannot overturn the chronological order of prophetic events that are foretold to occur in the Scriptures. Looking at the solar eclipses of 2017, 2023, and 2024 alone, it might seem that America's end is imminent. But before America is destroyed, which is the second woe of Revelation, Damascus, Syria must first be destroyed (Isaiah 17:1), which is the first woe of Revelation. Righteous Americans will not be the first people to stand before Yeshua (Jesus). 144,000 Messianic Jews of Israel will be the first to stand before Yeshua (Jesus). The 144,000 Israeli Messianic Jews (Revelation 14:1-4) will be the first of three major end-times raptures. The American rapture (Isaiah 18:7) will be the second. Therefore, knowing the chronological order of prophecy events, America will not be destroyed on April 8 or May 18, 2024.

APRIL 8, 2024, A DAY TO FAST AND REPENT

The Nineveh of Jonah's time, by order of the king's decree, repented and fasted and the city was spared from God's judgment.

In 2017, Nineveh, which is located in modern-day Mosul, Iraq, was destroyed by U.S.-led coalition forces in fulfillment of Scripture prophecy (Nahum 3:7; Zephaniah 2:13). Nineveh's destruction occurred in the same year, 2017, when a solar eclipse was passing over America. Nineveh remains in ruins to this day.

GENERATION X

Generation X, those born from 1965 to 1980 in the United States, will live to see the destruction of America, estimated year 2044. Besides the solar eclipses, there are signs in the culture that something significant may happen to America on or about May 18, 2024. "X" is also a popular brand for many companies and is even featured on the U.S. Space Command logo.

While America's destruction may not come on May 18, 2024, forty days after the April 8th solar eclipse, these heavenly sign solar eclipses and the cities that they pass over should not be dismissed or ignored by believers.

So what will happen on April 8th or May 18, 2024, if anything?

MATTHEW 24:7; MARK 13:8; LUKE 21:11 (NKJV):

"And there will be famines, pestilences, and earthquakes in various places."

X MARKS THE SPOT

Scripture Truth Ministries believes that there will likely be a major earthquake in the United States on or around May 18, 2024, which will split through the center of the nation and will serve as a message from God that He is displeased with America, a nation that has turned its back on God and has embraced sin. The 2017 and 2024 solar eclipses cross directly above America's New Madrid Fault Line. The convergence point of the 2023 and 2024 solar eclipses occur at the same latitude as the nation of Israel. God will rent America in two, as He once rented the Jewish Temple in two, following the crucifixion of Yeshua (Jesus).

American believers, America, also known as Babylon the Great of Revelation 18, is only our temporary home. God has promised to call us home to Him in the American rapture. On a positive note concerning the April 8, 2024 solar eclipse, it is last passing over Newfoundland, Canada. As American believers, we should be looking forward to a new-found land, to be with Yeshua (Jesus), and to soon be meeting Him at Mount Zion in the American rapture.

JEREMIAH 51:5-6 (NKJV) [WITH INTERPRETATION]:

"For [SPIRITUAL] Israel is not forsaken, nor [SPIRITUAL] Judah [THE AMERICAN SAINTS], by his God, YHWH (the Lord) of hosts, though their land [AMERICA] was filled with sin against the Holy One [YESHUA (JESUS)] of Israel." Flee [COME OUT] from the midst of Babylon [AMERICA] and every one save his life [IN THE AMERICAN RAPTURE]! Do not be cut off [LEFT BEHIND] in her [AMERICA'S] iniquity, for this is the time of YHWH's (the Lord's) vengeance; He shall recompense her [AMERICA].

Scripture Truth Ministries has estimated from the onset that Damascus, Syria would be destroyed in 2033-2034, and America would be destroyed in 2043-2044. Those estimations have now been slightly revised. Scripture Truth Ministries now believes that a major earthquake will strike through the center of the United States on or about May 18, 2024, that Damascus, Syria will be destroyed on or around Passover on April 3, 2034, and the United States of America will be destroyed on October 01, 2044, following a solar eclipse on August 23, 2044. The solar eclipse of August 23, 2044, only briefly passes the north-central part of the United States before the sun sets. This seems to be an ominous sign of lights out for America, its time is up, and its judgment has come.

REVELATION 18:4 (NKJV) [WITH INTERPRETATION]:

“Come [BE RAPTURED] out of her [AMERICA], My people, lest you share in her [AMERICA’S] sins, and lest you receive of her [AMERICA’S] plagues.”

PSALM 91:4-8 (NKJV) [WITH INTERPRETATION]:

He shall cover you with His feathers, and under His wings you shall take refuge; His truth shall be your shield and buckler. You shall not be afraid of the terror [EMP ATTACK] by night, nor of the arrow [NUCLEAR MISSILE] that flies by day, nor of the pestilence that walks in darkness, nor of the destruction that lays waste at noonday. A thousand may fall at your side, and ten thousand at your right hand; but it shall not come near you. Only with your eyes shall you look, and see the reward of the wicked.

Yeshua (Jesus) warned us to “Remember Lot’s wife,” – Luke 17:32. We, as sinners ourselves, saved by the blood atonement of Yeshua Messiah (Jesus Christ) are not permitted to observe the punishment of the wicked, because we deserve that same punishment. Therefore when the rapturing angels take charge of you and bear you up in the American rapture (Psalm 91:11-12), remember Lot’s wife and don’t look back at the judgment of America until instructed by the holy angels that it is time to look upon the reward of the wicked.

Scripture prophecy declares that America is not going to repent of its national sins, as America has embraced them and America’s fate as a nation is to be complexly destroyed. The April 8, 2024 solar eclipse serves as a heavenly sign that America’s judgment is coming and it will likely begin with a major earthquake on or around May 18, 2024.

American believers, remember, America is not our home, our hope, or our destiny; the kingdom of heaven is.
