CLAIM: "JESUS CHRIST'S BODY FOUND."

"DO NOT BELIEVE IT." – YESHUA (JESUS), MATTHEW 24:23-26

Controversial research claims that the body of Jesus Christ can be found in a hidden double-cave, sealed off by a whopping stone block beneath the Great Pyramid in Giza, Egypt. The body of Jesus Christ and the Ark of the Covenant may well be found in the 'Cave of the Patriarchs,' according to British anthropologist Dr. Paul Warner. According to a theory of Dr. Warner, first proposed in December, 2021, the sarcophagus of Jesus Christ and the Ark of the Covenant may have been stored for centuries in a hidden double-cave, beyond a stone block which seals the southern passageway of the subterranean chamber beneath the Great Pyramid in Giza. Dr. Warner has shown all his findings from extensive research to the Egyptian Supreme Council of Antiquities.

Dr. Warner's hypothesis is based on radiation scans of the pyramid that show man-made structures deep inside the pyramid using the latest technology. Dr. Warner, who confirms that he is not religious, also bases his theory that the pyramid contains the remains of Jesus, on his belief that 'Mount Sinai," the 'Mountain of Israel,' the 'Mount of Olives,' Mount Zion,' and the Quran's 'Mountain of Light' are all one-and-the-same mountain: the Great Pyramid of Egypt. He further believes that Jesus gave His 'Sermon on the Mount' at the Great Pyramid, and concludes that Jesus was thus buried inside the Great Pyramid.[1]

Dr. Warner presented his theory that the tomb of Jesus Christ and the Ark of the Covenant might rest within the Great Pyramid of Giza behind a stone block at the base of the pyramid's southern passageway to Egypt's Minister for Tourism and Antiquities, Ahmed Issa, on October 20, 2022.[2]

Mainstream archaeologists and Egyptologists do not support Dr. Warner's non-credible hypothesis. Historic and Scripture accounts record that Yeshua (Jesus) was buried in a tomb in Jerusalem that was provided by Joseph of Arimathea, a wealthy member of the Jewish high council (the Sanhedrin), who also was a secret disciple of Yeshua (Jesus), and then after three days Yeshua (Jesus) rose from the grave.

Amazingly, Yeshua (Jesus) foresaw that the day would come when someone (Dr. Paul Warner) would claim that He (His remains) are in the desert (of Egypt), in the inner rooms (chambers of the Great Pyramid of Giza). This prophecy has been fulfilled. Yeshua (Jesus) warned His believers to not believe these reports.

MATTHEW 24:23-26 (NKJV):

"Then if anyone says to you, 'Look, here is the Messiah (Christ)!' or 'There!' do not believe it. For false christs and false prophets will rise and show great signs and wonders to deceive, if possible, even the elect. See, I have told you beforehand. Therefore if they say to you, 'Look, He is in the desert!' do not go out; or 'Look, He is in the inner rooms!' do not believe it."
